The Living Rosary

In a living rosary, each bead is represented by a student. A total of 68 students will stand in the shape of a rosary around the gym. Each student will lead the prayer associated with their bead. At the end of each decade, the students of that decade will present flowers to the Virgin Mary.

Happy 100th Day of School

100 days I've been in school.
My teacher says that's really cool!
I'm 100 days smarter, yes, it's true!
100 days of reading, writing and
math too!! I've learned a lot of
exciting things! Let's see what the
next 100 brings!
